

## Monaview Elementary School

*Every Student Counts, Every Moment Matters!*

Monday, November 19, 2018

Dear LGLions sponsor,

On behalf of the entire cast & crew of Monaview Elementary School, thank you for investing in our school community! As always, it is an exciting time to be a Monaview Lion. Our partnership with Leadership Greenville and Greenville Chamber has proven that collaboration amongst educators and the business world produces remarkable results.

We are so enthusiastic about the revitalization of our playground transforming into a community park. Educator and former president of the Children's Defense Fund, Marian Wright Edelman once said, "So often we dwell on the things that seem impossible rather than on the things that are possible. So often we are depressed by what remains to be done and forget to be thankful for all that has been done." Each donation to our LGLions project motivates our team beyond belief and we are certainly thankful.

What you have done for our students is simply immeasurable. Your contribution will not only benefit our scholars this school year, but your investment will have a lasting impact on our school's spirit, culture, student achievement, teacher morale, and the overall physical well-being of our Monaview families for many years to come.

It is so refreshing to know that individuals like yourselves still exist. The generosity of individual philanthropists, organizations, and companies is something sadly that many people do not get to experience. I am thankful that I am not one of those people.

As educators, particularly at a Title I school, what we encounter on a daily basis can never be adequately explained, only experienced. What makes it all worthwhile is to observe the #MonaviewMoments of gratitude in the faces of our students and reaffirming deeds of kindness like what you have shown.

Sincerely,

*Damon M. Qualls*
